

The Ahnentafel: German Pedigree, Test Record and Registration

Translation of Terms, Symbols and Abbreviations

An Ahnentafel is the pedigree, test record and registration document of a dog in a German language registry. The following is an example of an Ahnentafel of the German Shorthair Association (Deutsch Kurzhaar Verband) of Germany.

Front Page of Ahnentafel

Zuchtbuchstelle - (Breedbook Registry)

Logo of the FCI (Federation Cynologique Internationale) International Kennel (Cynological) Federation

Logo of the VDH (Verein fuer das Deutsche Hundewesen) "German Kennel Club"

Logo of the JGHV (Jagdgebrauchshundverband) "German Hunting Dog Association"

Die Richtigkeit der Ahnentafel bestaetigt:
Deutsch-Kurzhaar-Zuchtbuchstelle 6725 Roemerberg-Berghausen, den 29 Januar 2001, Germersheimer Str. 148 Unterschrift: C. Kiefer, Zuchtbuchfuehrer.

(The accuracy of the Ahnentafel is certified by the DK breedbook registry in the town of Roemerberg on January 29, 2001, plus street address. Signature of the breedbook registrar.)

Erst mit dem Eindruck der Taetowier-Nummer wird die Ahnentafel Gueltig.

(The Ahnentafel is validated with the perforation of the tattoo (breedbook no.) number.)

Die Ahnentafel ist eine Urkunde. Aenderungen und Zusaetze duerfen nur von der Zuchtbuchfuehrung vorgenommen und bestaetigt werden.

(The Ahnentafel is a document. Only officials of the breedbook registry are permitted to make and certify changes and additions.)

Inside: the 5 generation pedigree

Z.-K.-Nr.: or ZB.Nr. – (Breedbook number (tattooed inside the dogs right earflap; note the last two digits indicate breedbook year, e.g. /91 means the dog is registered in the 1991 breedbook.)
